

Finneytown – Finneytown H.S.

Finneytown H.S. field is on Winton between Compton and Galbraith. From Sharonville the best way is to take I-275 West to Winton Rd exit, going South. You will be on Winton Rd. for several miles through Greenhills and past Winton Woods. The fields are maybe ½ mile past Brentwood Bowl on the left side. Continue past the fields and turn left on Reynard, then left on Brent. You will see a small sign on your left for Brent Elementary just before you get to Cavalier. Turn left into the parking lot, the field is behind the school. There is also a small parking lot directly off of Winton Rd. but is difficult to in and out of it. You can also come North from Ron Reagan Highway, Reynard is across from Arby's.

Greenhills-Beechwoods Elementary #2

Take I-275 West to Winton Rd exit, going South. You will cross Kemper Rd., then Waycross Rd. and the next street is Sharon Rd. Turn left onto Sharon Rd. Turn right onto the 1st street which is Junefield. The school is on the left off of Junefield and the field is behind the building.

Lockland-Gardner Park

Take I-75 South to Shepherd Lane (Lincoln Heights) exit. (this is the exit before the actual Lockland exit) Turn left at light onto Mangham in front of Wendy's. Then turn left at the light onto Shepherd Lane. Take an immediate right onto Forrer Ave and you will be going parallel to I-75 south. Go about ¼ mile and turn right onto Bacon St. This will dead end into the park with the fields. Field #1 is just to the right as you enter the parking lot.

Springdale – Rec Center

Take I-275 West to Rt. 4 Springdale exit (Showcase Cinemas). Turn left onto Rt. 4 going south and at the second light, turn left onto Lawnview. Park at the Springdale Rec. Center and Field #3 is next to the tennis courts.

Wyoming High School

Take Glendale-Milford Rd. heading West past St. Rita's School for the Deaf until it dead ends into Springfield Pike (this street is also known as 747 / Rt. 4 / Princeton Pike / Congress Ave. / Vine St / Princeton-Glendale Rd depending on where you are). Turn left onto Springfield Pike and go about 3 miles and turn left onto Penderly Ave. (It is a left turn only street but is at a light and is next left street after Chestnut). The High School is right there on your left and you can park around to the right of the building and the field is way back behind the football field bleachers. You can also continue on Penderly to Burns, turn left on Burns and go down the street until you see a driveway with an iron gate on your left that is an entrance into left field. It's a way shorter walk but is street parking.

Wyoming – Hilltop Park

Take Glendale-Milford Rd. heading West past St. Rita's School for the Deaf until it dead ends into Springfield Pike (this street is also known as 747 / Rt. 4 / Princeton Pike / Congress Ave. / Vine St / Princeton-Glendale Rd depending on where you are). Turn left

onto Springfield Pike and go about 3 miles and turn right onto Oliver Rd which is at the second of two stoplights about 100 feet apart (the other one is for a left turn onto Pendery). Go up the hill on Oliver and the field is just past the elementary school on the left right next to the water tower. You can't miss this water tower. Park right there on Oliver. The next crossing street has no parking, but if the street is full it looks like you can park in the school lot for a short walk.

Forest Park - Central Park

Take 275 West to Winton Rd. exit and go South on Winton Rd. (heading away from The Mills (Forest Fair Mall). Go over Kemper Rd. and take the next right onto Waycross Rd. (you will see the fields on your right just before Waycross). Take an immediate right onto Jason Dr. which basically turns into the parking lot.

Hartwell

2009 update – they are doing construction on the rec building there and parking is unknown depending on their progress.

Take I-75 South to the Galbraith Rd. exit and turn right heading West on Galbraith Rd. You will cross Vine St. / Rt. 4 and the parking lot for the field is 100 ft. on your left next to the Rec center and basketball courts. There is also a smaller parking lot on your right just before the loop that connects to Vine St. South and I think you can also park on the streets to the right but you have to walk through the lot anyway because of the fence. The softball field is the one just next to the Galbraith. You can also go past the field and park in a small lot on your left just past the backstop before you get to the Drake Center.

St. Bernard - Lower Ross

This is not the field by the pool.

Take I-75 South to 562 / Norwood (Lateral) exit 7. Take first exit off of 562 at Paddock Rd. and turn right heading south. Turn right at the first street Tennessee Ave (it turns into E. Ross Ave.) and continue over the hill (it's 25 mph and they watch it) and turn right into Ross Park just before Vine St. after you pass Sherpies Deli. You go around to the right past the stadium and the fields are next to the lower parking lot.
